

HOW TO DOWNLOIAD YOUR JANET & JOHN ZIP FILE(S)

Start by creating a folder on your desktop, or somewhere where you will be able to find it. In Windows 10:

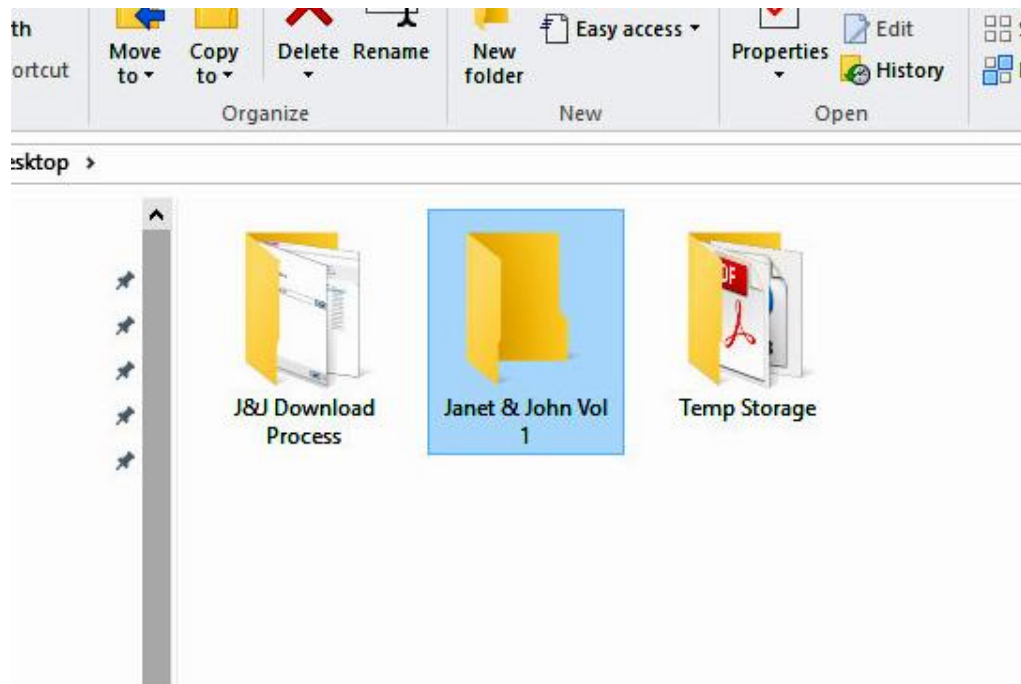

Right Click on the Desktop – Select “New” and “Folder”

When the new folder opens:

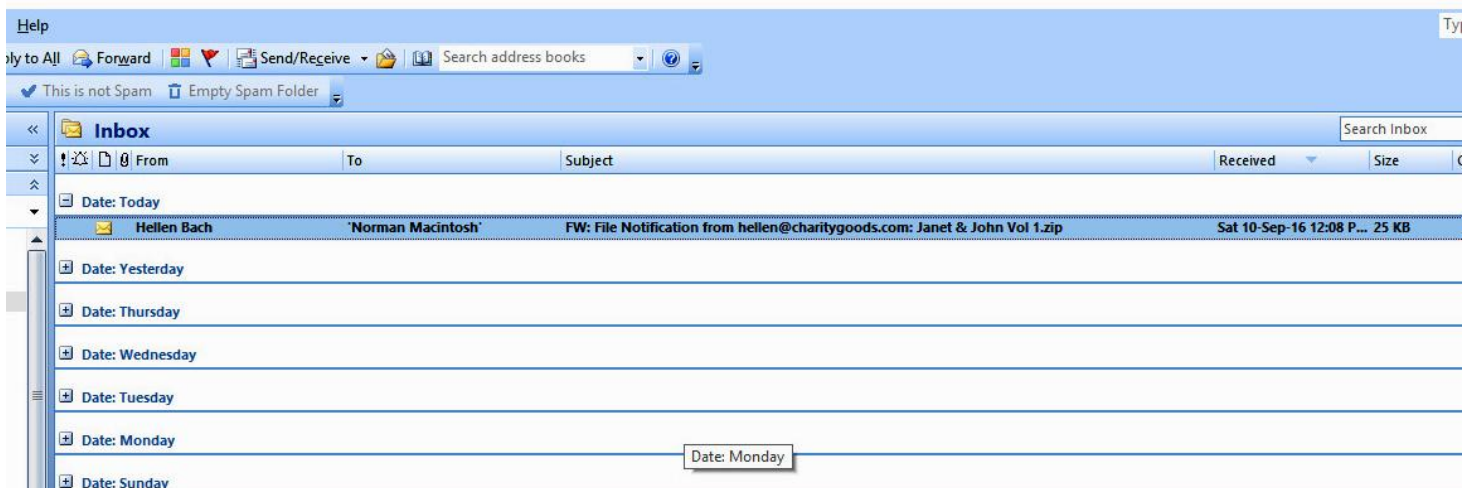

Type the name Janet & John Volume 1 – or whichever Volume you have purchase.

The folder should now look like this:

Now go to the email that you received about the Janet & John Download, it will look like this one:

Double Click on the email

com]

goods.com: Janet & John Vol 1.zip

mailbigfile

Whichever way you go, you should find the ZIP File Janet & John Vol 1 (or whichever you downloaded)

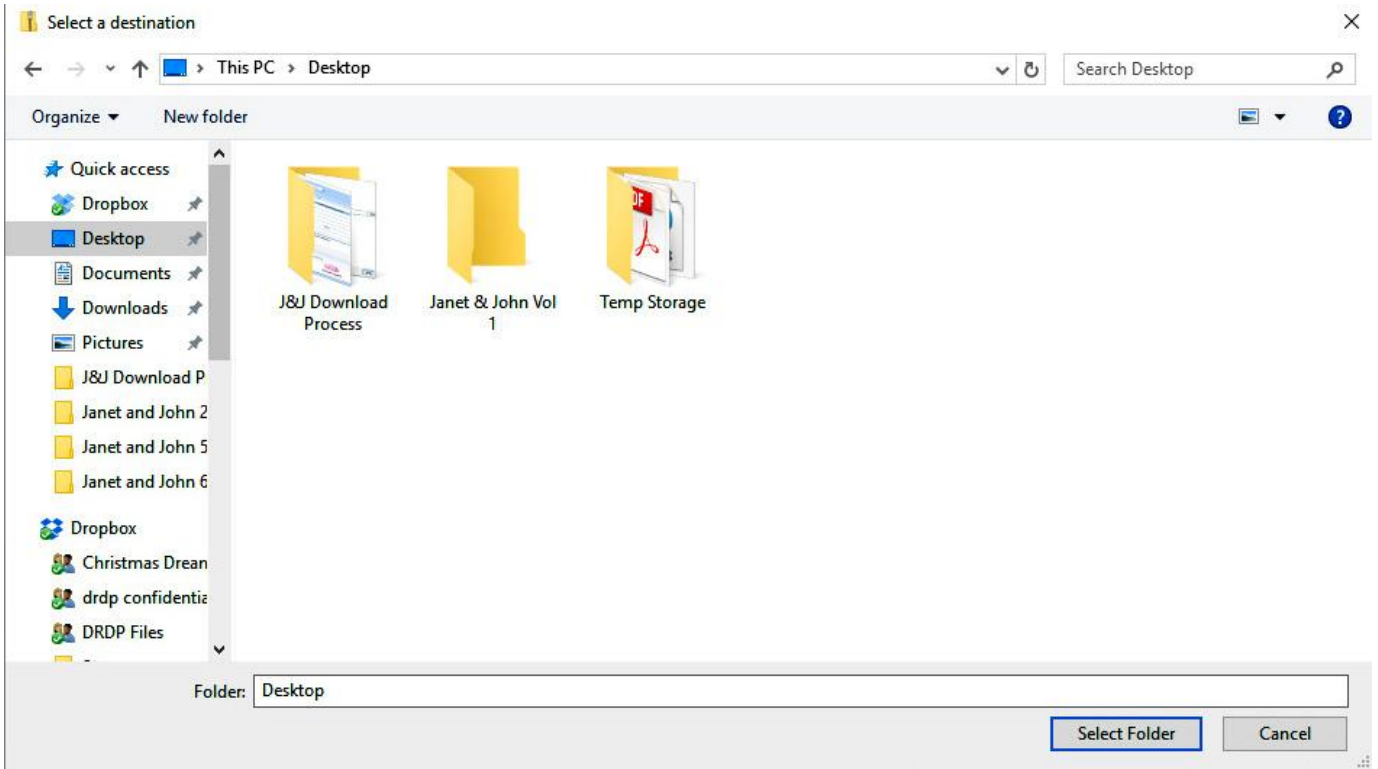

Double Click the Zip Folder Icon and the next screen will appear (See over)

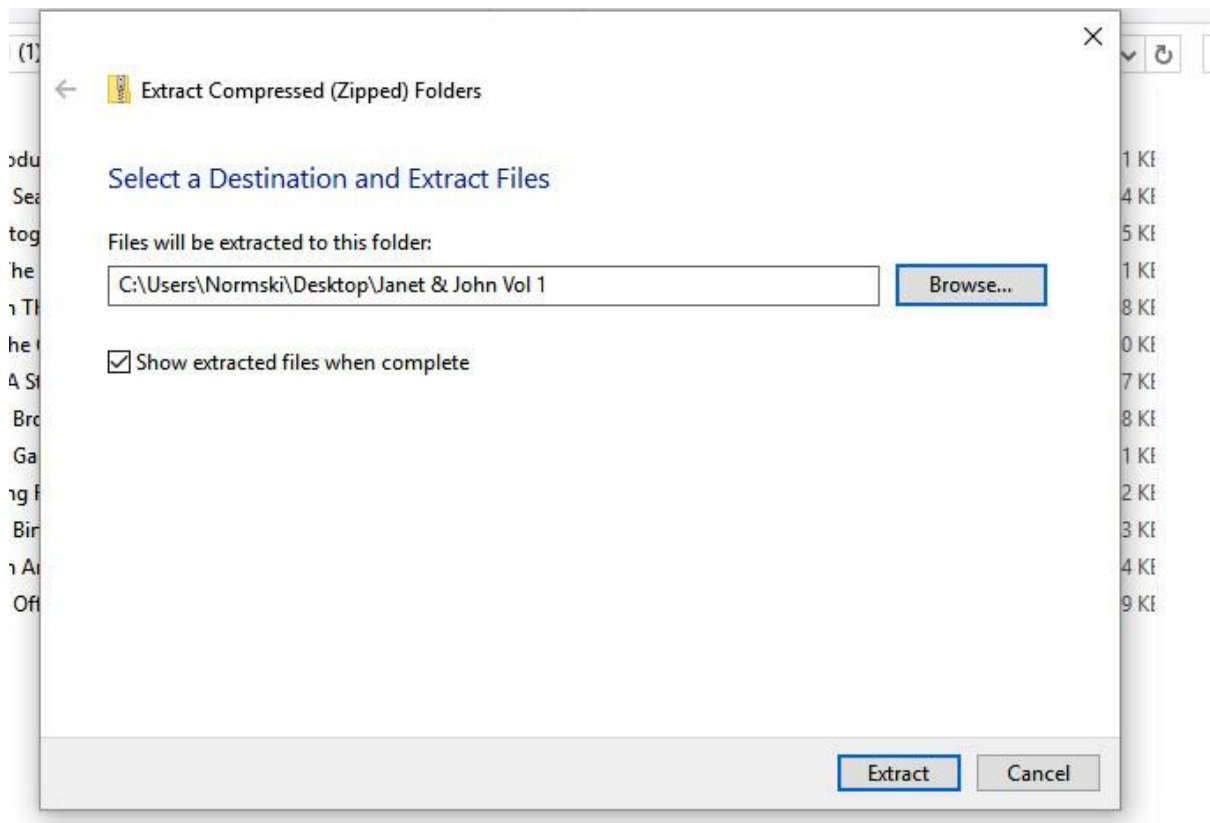

Again, depending on your Windows System, the “Extract All” will be in a different place, and may just be text at the top of the folder. Click on this.

Click Browse and find the Desktop. And the folder you created. (Or folder elsewhere you set up)

Click on the Folder and then click on Select Folder

Click "Extract"
